School Options

Time is a precious commodity, that's why we have come up with two schooling solutions to better accommodate your busy schedule.

In-Class Instruction - \$499 to \$699*

This is our brick-and-mortar school with 3 locations; Temecula, Lake Elsinore, and Hemet. Price includes live instruction, materials, and personalized assistance.

Home School - \$299 to \$499*

Our home schooling option is for the person who feels comfortable watching the videos, taking the tests and reading the material on their own. This is a great option for the go-at-your-own-pace student. Price includes video instruction, materials, and personalized assistance.

*Reduced price for all C-61 & D licenses per CSLB requirements.

Course Materials
